

This is Mickey and his script.

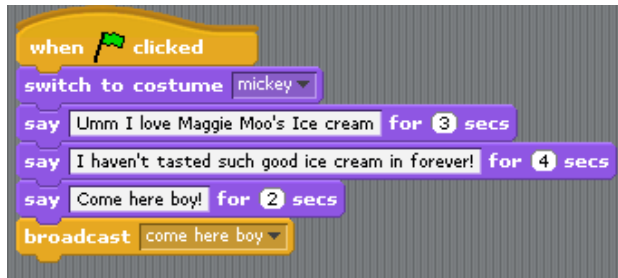

This is Pluto and his script.

SURPRISE!!!

Another cool thing you can do is choose the box with the question mark and get a surprise sprite. COOL!

Changing backgrounds!

You can make or change a background by simply painting one or getting your own by pressing on the paint/import key.

Choosing/adding a sprite!

To choose a new sprite just select the folder and choose your desired sprite

More things to try

- ✓ Try changing Mickey's costume from one to another
- ✓ Experiment with the backgrounds; try changing them using the broadcasting tool. You can even draw your own background using edit.
