

Which Wiggle?!

Physical Programming
Activity 2 v. 1

Use physical programming & crafts to create a highly interactive game with **PICO** crickets

TINKER TIL IT WORKS!

Step 1

Create! the basic
“Which Wiggle?!” game

Step 2

Change the Program!

Change timing of the
wiggles!

Change rotation signs
played!

TINKER!

Step 3

**Change the Hardware
& Crafts!**

Replace button sensor to
sound or light sensor!

Change craft pieces!

What will you need to change in
the program to make these work?

TINKER TIL IT WORKS!

Inquiring minds want to know:

Can Pico Cricket motors rotate at different speeds and in different directions?

Is it possible to have four motors and one input in a Pico Cricket project?

Can a Pico Cricket play MP3 music files you choose as an output?

What you need: Computer with Pico program installed •
Legos • Pico Kit (see cheat sheet) • Pictures 4 Wiggling! • Tape •
Scissors • Cardboard • Colored Pens & Crayons
